**WILL AUTHORIZE THE FOREIGN
TROOPS TO LAND.**

Special to The Daily Enterprise.

Paris, June 6.—The foreign office has
been advised by cable that the diplo-
matic corps at Pekin held a meeting
and decided to send authority to the
admirals of the various fleets at Taku
to take whatever measures they may
consider necessary for the protection
of European and native Christians.

SENATE CONFIRMS PROMOTIONS.

Special to The Daily Enterprise.

Washington, June 6.—The senate
early this morning confirmed the
nomination of John R. Hazel as United
States district judge of western New
York; also confirmed all the Porto Ri-
co appointments made Monday. Gen-
eral Wheeler's promotion was con-
firmed.

**OCCUPATION OF PRETORIA AC-
COMPLISHED SATISFACTORILY.**

Special to The Daily Enterprise.

London, June 6.—General Roberts
cables this morning from Pretoria
June 5, 5.30 p. m.: The occupation of
the town passed off satisfactorily; the
British flag is now hoisted from the
top of the government office. The
troops received a much more enthusi-
astic reception than we had antici-
pated. The Third battalion of Gren-
adier guards lined the square when the
march took place. Owing to their
having been on duty some distance
from town, very few cavalry and in-
fantry were able to take part in the
ceremony. Several other officers who
had been prisoners were among the
on-lookers.

**BOXERS AND REGULARS FIGHT
A PITCHED BATTLE.**

Special to The Daily Enterprise.

Shanghai, June 6.—The Boxers and
regular Chinese troops have fought a
pitched battle near Pekin. Many
were killed on both sides. No further
particulars.

The cossacks took part in the battle,
aiding the imperial troops. The sit-
uation is growing worse and the Rus-
sian minister has made another at-
tempt to induce the Chinese foreign
office to formally request Russian as-
sistance to restore order, but the offer
has not yet been accepted. Japan has
protested against Russia landing
troops.

**MURDER OF MISSIONARIES CON-
FIRMED.**

Special to The Daily Enterprise.

London, June 6.—A Tien Tsin dis-
patch says today that reports of the
murder of two missionaries, Robinson
and Norman, has been confirmed.
Robinson's body was dreadfully mutil-
ated. The rebels have burned Lan
Ting station and surrounded Lang
Fang. No trains are running to and
from Pekin, as the engine drivers will
not proceed without foreign guard. All
foreign war ships are landing further
detachments of marines.

AN ARMISTICE AGREED TO.

Special to The Daily Enterprise.

Pretoria, June 6.—At the request of
General Buller a three days' armistice
has been agreed to by General Chris-
tian Botha, the Boer commander at
Laings' Nek. The two commanders
met and held a conversation. Utrecht
has again been evacuated by the Brit-
ish, who retired on the main force at
Mount Prospect. It is officially re-
ported by President Steyn that in the
battle of May 29 near Winburg, Gen-
eral Dewet bombarded and captured 500
of the Imperial Yeomanry.

CONGRESS ADJOURNS.

Special to The Daily Enterprise.

Washington, June 6.—Congress ad-
journed at 3 o'clock this afternoon. In
order to accomplish this the house and
senate remained in session all night,
until 3 o'clock this morning. As a
result of the work done last night
practically all the important pending
questions were passed upon and only two
great appropriation bills remained un-
finished, the naval and sundry civil
bill. There is still a disagreement on
one item of the latter and on the ar-
mor question in the former.

WOULD NOT CALL OUT TROOPS.

Special to The Daily Enterprise.

St. Louis, June 6.—Governor Ste-
phens has refused to call out the troops
to quell the street railway riots on the
ground that the city authorities have
not exhausted the legal remedies. He
will not send state soldiers until the
police prove contemptuous and incur
have done their utmost to stop the
violence.

**EUROPEAN POWERS AGREE TO
CO-OPERATE.**

Special to The Daily Enterprise.

London, June 6.—England, Germany
and the Russian government have
agreed that their joint squadrons shall
enter the gulf of Pechili to co-oper-
ate in the suppression of the Chinese
Boxers. The assent of France has not
yet been given, but it is expected that
she will agree to act in harmony with
the other powers.

NEW YORK STATE DEMOCRATS.

New York, June 6.—The democratic
state convention elected the following
delegates at large to the national dem-
ocratic convention: D. B. Hill, Rich-
ard Croker, Edward Murphy and Au-
gustus Van Wyck. Alternates: J.
C. Campbell, J. Cobb Ruppert, Jr.,
Morgan Sandford and James Shevlin.
Electors at large: Frederick Cook of
Rochester; Robert C. Titus of Buffalo.
The platform adopted contains no re-
affirmation of the Chicago platform of
1896, but a declaration that the party
in the state will support the platform
of the Kansas City convention. The
convention gave promise of being stor-
my, but ended quietly. The particu-
lar feature of the convention was the
domination of affairs by ex-Senator
D. B. Hill. The silver men profess to
be satisfied with the result.

SURRENDER ARRANGED.

Pretoria, June 5.—Just before dark
yesterday the enemy had been beaten
back from nearly all the positions they
had been holding, and Ian Hamilton's
mounted infantry followed them to
within 2000 yards of Pretoria, though
they retreated hastily.

De Lisle then sent an officer with a
flag of truce into the town demanding
its surrender in Lord Roberts' name.
Shortly before midnight Lord Roberts
was awakened by two officials of the
South African republic, Sandberg,
military secretary to Commandant-
General Botha, and a general officer
of the Boer army, who brought him a
letter from Botha proposing an armis-
tice for the purpose of settling the
terms of surrender.

Lord Roberts replied that he would
gladly meet the commandant general
the next morning, but that he was not
prepared to discuss any terms, as the
surrender of the town must be un-
conditional. He asked for a reply by day-
break, as he had ordered the troops to
march on the town as soon as it was
light.

In his reply Botha told Lord Roberts
that he had decided not to defend Pre-
toria, and that he trusted women, chil-
dren and property would be protect-
ed. At 1 o'clock a. m. today, while on
the line of march, Lord Roberts was
met by three of the principal officers
with a flag of truce, stating their wish
to surrender the town.

It was arranged that Pretoria should
be taken possession of by her majesty's
troops at 2 o'clock this afternoon.

Mrs. Botha and Mrs. Kruger are
both in Pretoria.

Some few of the British prisoners
have been taken away, but the major-
ity are still at Waterval. Over 100 are
at Pretoria.

So says any wise chess player. "Sacrifice profit to stimu-

as we say we act. We believe that the greater the effort
the surer the result, the larger the sales the smaller need be
the profit. Our efforts were never more mulling and our
